# ABOUT THE CALIFORNIA JPIA

## HELPING GOVERNMENT MITIGATE RISK

Providing innovative risk management solutions for its public agency partners for more than 45 years, the California Joint Powers Insurance Authority is one of the largest municipal self-insurance pools in the state, with more than 125 member cities and other governmental agencies. The Authority offers a comprehensive portfolio of programs and services, including liability, workers' compensation, pollution, property, and earthquake coverage, as well as extensive risk management training and loss control resources.

## MISSION

*Providing Innovative Risk Management Solutions for Our Public Agency Partners*

**California Joint Powers Insurance Authority**

## Join the team! | Accountant

The California Joint Powers Insurance Authority is seeking a skilled Accountant to join our dynamic team. As an Accountant, you will play a crucial role in managing and reporting financial data for our organization. Your expertise in accounting and finance will be instrumental as we streamline processes, enhance controls, and take full advantage of our recently implemented accounting software. Under the guidance of the Finance Director, some of your responsibilities will include:

- Conducting various accounting tasks, including payroll, accounts payable, reconciliation of Authority funds, and posting financial transactions to the general ledger.
- Providing professional-level assistance in reconciling accounting data from external claims administrators.
- Pursuing collection of excess recoveries from insurance companies.
- Collaborating with coworkers and members on various projects.

If you are ready to apply your skills and experience to an organization committed to excellence, we encourage you to seize this exciting opportunity with the California Joint Powers Insurance Authority.
