

ELECTED OFFICIALS SUMMIT

May 17–19, 2028

Oxnard

The California JPIA's Elected Officials Summit was created for tenured elected officials with more than three years in office. At the Summit, attendees have a forum to learn and share insights about effective and ethical leadership. Additionally, attendees can network with Authority staff, subject-matter experts, and other elected officials from across the state.

There is no cost to attend this event, which is open exclusively to Authority members. Those interested in attending this summit must submit a registration request online, as space is limited.

Past Summit topics have included:

- Media Empowerment Training
- Working with Your Community Effectively
- Working Effectively with Your Elected Official Colleagues, the Manager, and Staff
